

DMC MINING LIMITED

ACN 121 513 620

11 August 2008

ASX/MEDIA ANNOUNCEMENT

APPOINTMENT OF CHIEF EXECUTIVE OFFICER

DMC Mining Limited is pleased to announce the commencement of Mr. Edoaldo (Aldo) Di Dio as its Chief Executive Officer.

Mr. Di Dio joins DMC Mining Limited with over 25 years experience in the resources industry both locally and internationally. Mr. Di Dio has held senior positions with BHP Billiton, Worley Parsons and GRD Minproc.

With outstanding commercial and technical capability, his resume includes working with organizations such as Rio Tinto and ALCOA, Fortescue Metals and with BHP Billiton. Mr Di Dio has extensive experience in the delivery of mineral and mineral processing projects from junior mining houses through to blue chip international organizations in the base metal and Iron ore commodities. Additionally Mr Di Dio has experience in the Oil and Gas, Power and Infrastructure sectors.

This appointment brings vital industry experience, leadership and key Iron Ore expertise to DMC Mining Limited.

Mr. David Sumich Managing Director of DMC Mining Limited commented: "DMC is fortunate to have secured the services of a senior executive with his iron ore capability and experience."

Mr. Di Dio CEO of DMC Mining Limited commented: "I am pleased to have been invited to join and lead the dynamic team at DMC Mining. The Mayoko project is a world class Iron ore opportunity and I am excited at the prospect of delivering true share holder value from this project."
